*The Courtyards at The Ambassador Memory Care Assisted Living is a place where you will find the comforts of home, the safety of 24 hour caregivers, the relief of chore free living and the joy of new found friendships.*

**Assisted Living:** Our team recognizes that each resident has individual needs, we are committed to provide residents and their families with peace of mind. Residents enjoy daily opportunities to socialize and be active while still receiving clinical support.

**Memory Care:** Services are offered in a secure, homelike environment that encourages the pursuit of life-long interests and daily living. We are available to serve the unique needs of your loved one and to help family and friends understand the progression of dementia.
